The following is an examiner's statement of reasons for allowance:

Claims 1-16 are allowed because the prior art of record does not disclose or suggest a control mechanism for a timepiece having a locking mechanism with a first cylindrical part (26) arranged in retaining plate (20), a second part (34) arranged to allow locking piece 22 to rotate, and a third part intended to interact with rod 12 and comprising two wings 40 inscribed in a dummy cylinder, in the locking position at least partly inscribed between external diameter "D" of groove 14 and internal diameter "d", and in the unlocking position take on the contour of the external diameter "D".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
